

Pfizer Fellowship Grant RFP

2023 Oncology Fellowship

Competitive Grant Program – Pfizer External Review Process

Overview

It is our intent to support fellowship programs at institutions with clinical training programs in regions where there are continued workforce challenges and that have a strong focus on clinical practice, research, and education.

Geographic Scope

Canada

Project Types and Area of Interest

Oncology Fellowship

The goal of this RFP is to offer salary support for medical oncology fellowship programs. Oncology areas of interest include, genitourinary, gastrointestinal, breast, lung, skin, leukemia and multiple myeloma.

Key Milestones

- Application submission deadline: **September 8, 2023**
- Anticipated decision notification date: **November 1, 2023**
- Anticipated project start date: **January 1, 2024**

Funding Range and Project Length

Funding will be for 4, 1 year fellowships, January 1, 2024 - December 31, 2024

I. Eligibility

Geographic Scope:

- Canada

Applicant Eligibility Criteria

- Accredited, Canadian-based academic institution.
- Do not include the name of the potential fellow(s) in application materials. This grant will be awarded to an institution, not an individual.
- Institutions with fellowship programs that include independent research and a strong mentoring program. Clinical training may be included in the program but is not required.
- No aspect of the fellowship program can benefit Pfizer's business or a Pfizer asset.
- Examples of independent research include: observational studies and outcomes research studies where the primary focus is the scientific understanding of disease; use of screening tools and their impact on improvement of patient health.
 - Examples of research that would **not** be eligible include research involving the study and/or evaluation of any pharmaceutical product and basic science and/or fundamental research (in animal model, in-vitro, etc.).
- Examples of clinical training include: educational time with an interdisciplinary team in review of case examples and relevant didactic training as well as use of tools for improvement in patient health for specific therapeutic areas or conditions.
- Fellow time spent in the clinical setting that is supported through grant funds must not be billed as patient care.

II. Requirements

Date RFP Issued

- March 13, 2023

Specific Area of Interest for this RFP:

- It is our intent to support fellowship programs at institutions with clinical training programs in regions where there are continued workforce challenges and that have a strong focus on clinical practice, research, and education to further the understanding of medical oncology. Programs that prioritize diversity, equity, and inclusion (DEI) principles, address health care disparities, social determinants of health are always encouraged. Grants will be awarded based on the strength of the requesting organization's ability to provide expert mentorship, training, and guidance to the fellow.

Requirements for Prospective Fellows:

- Institution must ensure that any fellow that will receive grant funds must be a Canadian Worker (citizen, permanent resident, refugee, or asylee), or hold an appropriate non-immigrant visa status authorizing employment in Canada.

Budget

- Grant funding is available to support one fellow for up to a year up to \$90,000. The budget can only include salary support. Approximately 4 Fellowships will be supported. Total potential funding available is \$360,000.
- Grant funds cannot be used for overhead or indirect costs.

- Funding will be awarded to the institution, not an individual.
- Fellow time spent in the clinical setting that is supported through grant funds must not be billed as patient care.
- No aspect of the fellowship program budget can reflect a benefit to Pfizer’s business or a Pfizer asset.

Key Dates:

- RFP Release Date: 3/13/2023
- Full Proposal Due Date: 9/8/2023
 - Please note the deadline is 23:59 Eastern Standard Time (e.g., Montreal, GMT -5).
- Review of Full Proposals by ERP: 10/25/2023
- Anticipated Full Proposal Notification Date: 11/1/2023
- Grants will be distributed following a fully executed agreement.
- Anticipated Project Start and End Dates: 1/1/2024 to 1/1/2025

How to Submit:

Note: Please read this section carefully since applications submitted not following these instructions will not be accepted and will be cancelled

- Please go to www.cybergrants.com/pfizer/GMGFellowship and sign in. First-time users should click “Create your password”. *[Note: there are individual portals for each grant application type. Please be sure to use the URL above.]*
- Click the “Start A New Fellowship Application” button.

- Requirements for submission:
 - Complete all required sections of the online application
 - Upload Proposal (see Appendix).
- If you encounter any technical difficulties with the website, please click the “Technical Questions” link at the bottom of the page.

IMPORTANT: Be advised applications submitted after the due date will not be reviewed.

Questions:

- If you have questions regarding this RFP, please direct them in writing to the Grant Officer, Amanda Kaczerski (Amanda.kaczerski@pfizer.com), with the subject line “2023 Onc Can Oncology Fellowship and March 13, 2023.”

Review and Approval Process

- A specific grant program RFP uses an expert review panel (ERP) to make final grant decisions.
- The panels are comprised of professionals from the medical community with advanced degrees and expertise in particular clinical areas, or specific needs of a geographic region/learner group, or expertise in research, continuing professional development or quality improvement

Mechanism by which Applicants will be Notified:

- All applicants will be notified via email by the dates noted above.
- Applicants may be asked for additional clarification during the review period.

About Pfizer Global Medical Grants

Pfizer Global Medical Grants (GMG) supports the global healthcare community's independent initiatives (e.g., research, quality improvement or education) to improve patient outcomes in areas of unmet medical need that are aligned with Pfizer's medical and/or scientific strategies.

Pfizer's GMG competitive grant program involves a publicly posted Request for Proposal (RFP) that provides detail regarding a specific area of interest, sets timelines for review and approval, and uses an expert review panel (ERP). Institutions are invited to submit an application as outlined in the specific RFP.

This RFP reflects Pfizer's commitment to advancing research, innovation, and training for medical, nursing, and allied health professionals.

Appendix

Proposal Requirements

Applications will be accepted via the online portal listed in the [How to Submit](#) section. The proposal should be submitted in Word or a PDF. This document should be formatted with single-spaced using 12-point font and 1-inch margins and should not exceed 10-15 pages.
