Give Expertise

Through in-person and virtual skills-based volunteering, Pfizer pairs the professional expertise of colleagues with the needs of nonprofit partner organizations to help address pressing needs challenges.

In 2021, 97 volunteers from 11 Pfizer country offices

– American Red Cross
– American Express
– Global Discussion
– Education
– Arts

Give Forward offers an opportunity to take action, to make a real difference for the communities in which we live and work. In 2021, 2 in 3 colleagues in the U.S. and Puerto Rico took action to give time, money and expertise to better our outcomes of choice.

$16.7M+ donated

43.7K+ hours volunteered

9.7K+ causes reached

97% of colleagues feel it’s important/very important to have a program like Give Forward.

Give Forward helps motivate colleagues to create positive impact by providing ways to:

• Amplify their impact by providing ways to:
• Help colleagues
• Identify, connect with and amplify nonprofit partner, from around the world
• Empower colleagues to create positive impact for the causes they find meaningful
• Recognize one another, and have fun

I am beyond proud when I tell others of all the great work that I control. I am humble that my colleagues do so much amazing work. Give Forward, a program that helps make it easier to know my employer helps those that are in need.

Give Forward makes me feel so joyful because I know my employer helps those that are in need.

Thank you, Pfizer for supporting our efforts to keep the San Diego community safe and healthy!

I feel satisfied knowing that I’m helping someone that I care about.

I feel so joyful because I know that I’m making a difference.

This was such a great experience all around – an opportunity to help a nonprofit partner, while also getting to know and work with fantastic colleagues from around the world.

This was the best partnership experience we have ever had. It was collaborative, open, diverse, thoughtful and incredibly helpful.

result based on survey of 1,801 colleagues (1,063 participants and 738 non-participants) in September 2021.

*Results based on flash survey of 321 colleagues throughout 2021.
