SHORTAGE RESOLUTION

Subject: Norpace[®] CR (disopyramide phosphate extended-release) 100 mg and 150 mg capsules – Supply Shortage Resolved

Dear Health Care Provider:

The purpose of this letter is to inform you that the supply disruption of Norpace[®] CR (disopyramide phosphate extended release) 100 mg and 150 mg capsules has been resolved.

Please note that it may take some time for the usual supply channel to stabilize. Pharmacies in need of Norpace CR should contact their wholesaler directly, or Pfizer Customer Service at 1-800-533-4535 (option 4 and then option 2) for assistance in creating a drop shipment from Pfizer.

Norpace CR is indicated for the treatment of documented ventricular arrhythmias. For additional medical questions on Norpace CR, please contact Pfizer Medical Information 1-800-438-1985. Please, see full prescribing information, including Boxed Warnings, available at: <http://labeling.pfizer.com/ShowLabeling.aspx?id=634>.

Reporting Adverse Events

Healthcare providers are encouraged to report adverse events, including product defects, by contacting Pfizer at 1-800-438-1985 or by contacting the FDA at <http://www.fda.gov/Safety/MedWatch> or by calling 1-800-FDA-1088.

Sincerely,
