

SETTING UP A PFIZER JOB ALERT

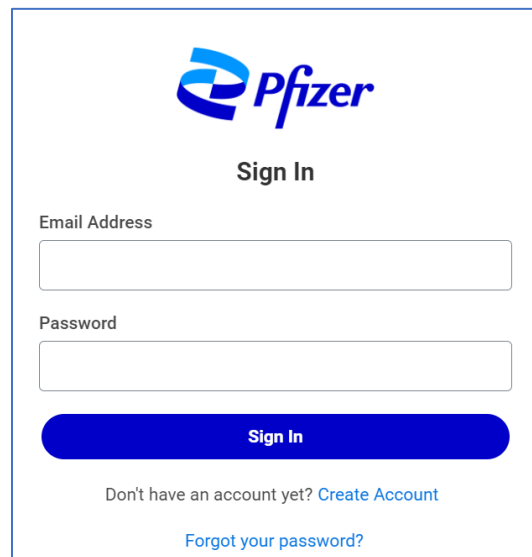

1. Go to our [Pfizer Careers](#) page and then click the **Search Jobs** button

2. In the upper right, select **Sign In**

3. Click **Create Account**

4. Once logged in, select **Job Alerts** at the top right

5. Select **Create Job Alert**

6. Name your alert, pick your frequency, and select the preferred site in **Location**, you can leave the other fields blank. Scroll down in box and click **OK**

A screenshot of the 'Create Job Alert' form. The form is split into two columns. The left column contains: 'Name Your Job Alert *' with a text input field containing 'PGS McPherson'; 'Frequency *' with a dropdown menu set to 'Weekly'; 'Location Country' with a dropdown menu; and 'All Locations' with a list containing 'United States - Kansas - McPherson'. The right column contains: 'Frequency *' with a dropdown menu set to 'Weekly'; 'Location Country' with a dropdown menu; 'All Locations' with a list containing 'United States - Kansas - McPherson'; 'Location Region/State/Province' with a dropdown menu; 'Job Category' with a dropdown menu; 'Full/Part-time' with a dropdown menu; and 'Job Type' with a dropdown menu. At the bottom of the right column are 'OK' and 'Cancel' buttons.
