**Subject: TIKOSYN® Institutional Blister Pack**

Effective January 10, 2024, the below TIKOSYN® (dofetilide) 40ct Institutional Blister Packs will no longer be available for shipment. This decision is not based on any safety concerns.

NDC	Product Description	PKG Size	Case Count
0069-5800-43	Tikosyn® 0.125 mg CAP 4x10 BLST US	40 Capsules	24 Each
0069-5810-43	Tikosyn® 0.250 mg CAP 4x10 BLST US	40 Capsules	24 Each
0069-5820-43	Tikosyn® 0.500 mg CAP 4x10 BLST US	40 Capsules	24 Each

Hospitals and institutions should now order the below TIKOSYN® 60ct bottles through their wholesaler:

NDC	Product Description	PKG Size	Case Count
0069-5800-60	Tikosyn® 0.125 mg CAP 1X60 BTL US	60 Capsules	48 Each
0069-5810-60	Tikosyn® 0.250 mg CAP 1X60 BTL US	60 Capsules	48 Each
0069-5820-60	Tikosyn® 0.500 mg CAP 1X60 BTL US	60 Capsules	48 Each

As you know, Pfizer provides 14ct discharge packs free of charge at a ratio based on the 40ct blister pack purchase. To minimize disruption and provide a solution to discharge your patients with confidence, Pfizer will be implementing an interim program to receive the free of charge discharge packs. In order to benefit from this program, you must take the following steps:

- Please email Pfizer at [csspecialprogramsmem@pfizer.com](mailto:csspecialprogramsmem@pfizer.com)
- Please include:
  - Subject: Tikosyn Discharge Packs
  - Attach a PDF of proof of purchase / invoice from your wholesaler or Pfizer, including NDC & quantity purchased.
  - Ship To State License Number
  - Ship To Name, Address, City, ST, Zip
  - Contact Name & Phone #

You will receive five (5) 14ct bottles for every 60ct bottle purchase.

NDC	Product Description	PKG Size	Case Count
0069-5800-61	Tikosyn® 0.125 mg CAP 1X14 BTL US	14 Capsules	48 Each
0069-5810-61	Tikosyn® 0.250 mg CAP 1X14 BTL US	14 Capsules	48 Each
0069-5820-61	Tikosyn® 0.500 mg CAP 1X14 BTL US	14 Capsules	48 Each

Should you have any questions, please contact a Customer Service Representative at 1-800-533-4535.

TIKOSYN is indicated for the maintenance of normal sinus rhythm and for the conversion of atrial fibrillation and atrial flutter to normal sinus rhythm. The full Prescribing Information for TIKOSYN can be found at: [labeling.pfizer.com/showlabeling.aspx?id=639](http://labeling.pfizer.com/showlabeling.aspx?id=639).

For additional medical questions on TIKOSYN, please contact Pfizer Medical Information 1-800-438-1985. Healthcare providers are encouraged to report adverse events, including product defects, by contacting Pfizer at 1-800-438-1985 or by contacting the FDA at <http://www.fda.gov/Safety/MedWatch> or by calling 1-800-FDA-1088.

Sincerely,

Sveta Ferri, PharmD, CMD
