

## **Third Party Non-Healthcare Charitable Funding Criteria**

Decisions to fund think tanks and legislative organizations shall be made based on the following criteria:

- The organization ought to have an interest and expertise in health care policy/advocacy and engage on issues that impact the life science industry including, but not limited to, protecting intellectual property rights, advancing biomedical research, healthcare innovation and access to medicines;
- The organization ought to have a strong presence nationally and/or statewide in priority states with unique capabilities to reach priority constituencies;
- Organizations requesting funds must confirm that Pfizer has not provided more than 50% of the organization's funding in the calendar year;
- Organizations will be required to sign a Letter of Agreement (LOA) or other appropriate agreement acknowledging Pfizer's funding for the purposes outlined in the Agreement.
