

# PURCHASE ORDER TERMS AND CONDITIONS

[Pfizer China]

Pfizer hereby retains the supplier (“Supplier”) set forth in the order form into which these terms and conditions are incorporated by reference (including attachments thereto, the “Order Form”) on the terms and conditions hereinafter stated (including terms and conditions that are incorporated herein by reference, the “Purchase Order Terms and Conditions,” and together with the Order Form, the “Purchase Order”) to supply the products and/or perform the services.

In the event of a conflict or inconsistency between this Purchase Order Terms and Conditions and a written agreement between Pfizer and Supplier (“Agreement”) covering the subject matter of this Purchase Order, the Agreement shall prevail. In the absence of an Agreement, this Purchase Order Terms and Conditions and Purchase Order constitute the entire agreement of the parties with regard to the subject matter.

Supplier’s acceptance of this Purchase Order may be in writing, email, fax, EDI or other manifestation of acceptance such as, but not limited to, Supplier’s initiation of performance, or through Supplier’s provision of any Products or Services covered by this Purchase Order, or through Supplier’s acceptance of any payment made pursuant to this Purchase Order, whichever occurs first. Except to the extent expressly accepted in writing by Pfizer, Pfizer hereby affirmatively rejects any different or additional terms and conditions proposed by Supplier or contained in any acknowledgement, invoice or other form of Supplier, notwithstanding Pfizer’s acceptance or payment for any Products or Services or any similar act of Pfizer.

## 1. PRICE; INVOICING; PAYMENT

(c) Invoice; Payment; Billing Disputes. Unless otherwise specified by Pfizer, Supplier shall invoice Pfizer for the Products or Services provided under this Purchase Order only after the Products or the Services are received by Pfizer. Unless otherwise specified by Pfizer on the applicable Order Form, payment terms shall be net ninety (90) days after Pfizer’s receipt of the applicable invoice submitted in accordance with, and containing any information specified on, the applicable Order Form. Pfizer may set off any amount owing from Supplier to Pfizer against any amount payable by Pfizer. Pfizer may withhold payment of any invoiced amounts that it disputes in good faith and the parties shall work in good faith to resolve any such billing disputes. Such withholding of payment during any dispute shall never be the basis of a Pfizer default hereunder. Any such billing disputes shall not be cause for Supplier’s non-performance of Services and/or non-delivery of Products, as the case may be, under this Purchase

Order. Payment by Pfizer shall not result in a waiver of its rights under this Purchase Order. Further, Supplier shall perform its obligations under this Purchase Order in a manner that meets or exceeds the service levels, if any, set forth in this Purchase Order. If Supplier fails to meet any such service levels, Supplier shall perform a root cause analysis of such failure and shall promptly take corrective actions. In order to be eligible for reimbursement by Pfizer of reasonable out-of-pocket travel and travel-related expenses incurred by Supplier Personnel in providing the Products and/or Services hereunder, all such expenses incurred by Supplier: (i) must have been pre-approved by Pfizer in writing prior to the date such expenses are incurred; and (ii) must be in compliance with Pfizer's travel and entertainment guidelines, as supplemented and/or amended from time to time. Supplier represents and warrants that the prices and other terms provided to Pfizer under this Purchase Order are not less favorable than those extended to any of its other customers for similar Product and Services under reasonably similar circumstances and, in the event that Supplier provides any of its other customers with more favorable prices or other terms, Supplier shall immediately provide that more favorable price or other term to Pfizer.

Supplier shall provide a packing list to Pfizer (which shall be securely attached to the outside of the package) for all shipments referencing this Purchase Order number. Unless otherwise specifically provided for herein, Supplier shall be responsible for freight and delivery to the destination specified on the applicable Order Form. (c) Cancellation. The delivery of Products and/or Services shall strictly comply with the delivery date or delivery schedule, if any, specified by Pfizer. If at any time it appears that Supplier will not meet such delivery date or schedule, Supplier shall promptly notify Pfizer in writing of reasons for, and the estimated duration of, the delay. If requested by Pfizer, Supplier shall ship delayed Products by means to avoid or minimize delay to the maximum extent possible, any added cost to be borne by Supplier. Pfizer shall make such inspection within a reasonable period of time (not to exceed ninety (90) days) after the applicable Products have been delivered or Services completed by Supplier. For the avoidance of doubt, there shall be no time restrictions applicable to Pfizer's provision of notice of rejection of any Product with respect to any latent defects, which shall include any defects that may not be detected by Pfizer through standard inspection and testing of a Product sample or that may affect only a portion of Product. If the Products or Services do not meet such requirements, Pfizer shall give Supplier detailed written notification of the deficiency or non-conformance and a direction to Supplier to promptly (and in any event within thirty (30) days): (i) repair, replace or re-perform the deficient or non-conforming Products or Services; or (ii) cease all Supplier activities related to Products or Services; and/or (iii) refund to Pfizer all fees paid by Pfizer hereunder for the deficient or non-conforming Products or Services and those Products or Services that are dependent on such deficient or non-conforming Products or Services. ## 8. INDEMNIFICATION

(a) To the fullest extent permitted by applicable Laws, Supplier hereby agrees to defend, indemnify, and hold harmless Pfizer, its affiliates (and their respective directors, officers, employees, agents, successors and assigns) (each, an “Indemnified Party”) from and against any and all claims, liabilities of every kind, including liability based on contributory, vicarious, or any other doctrine of secondary liability, or character, (collectively, “Losses”) arising out of or relating to any and all claims, liabilities, liens, demands, obligations, actions, proceedings, suits, causes of action of every kind (regardless of whether or not such Losses are caused in part by a party indemnified hereunder) arising out of or related to: demands, damages, judgments, awards, settlements, expenses, or losses, including costs of litigation and reasonable attorneys’ fees, arising, directly or indirectly, from: (i) the acts or omissions of Supplier or Supplier Personnel in connection with the provision of the Services or Products under this Purchase Order; (ii) any individual’s (including any Supplier Personnel’s) prospective, then-current or former employment by Supplier, including (A) any claim arising under occupational health and safety, worker’s compensation, ERISA or other applicable Law, (B) any claim based on or arising out of any theory that Pfizer is an employer or joint employer of any Supplier Personnel, (C) any claim arising out of any termination or separation from Supplier; and (D) any claim arising out of Supplier’s failure to pay any of its Personnel; (iii) a breach by Supplier of the representations, warranties, covenants, and any other provisions set forth in this Purchase Order Terms and Conditions, including, but not limited to, any confidentiality, privacy and/or security obligation stated in Section 5 above and the obligations to comply with Laws; (iv) any claim charging that Supplier’s provision or Pfizer’s purchase or use of the Products or Services provided under this Purchase Order constitutes misappropriation or infringement of any Intellectual Property Rights or breach of a confidential relationship; (v) injury to or death of any person or damage to any property resulting from and/or caused by Supplier or its Personnel in connection with the Supplier’s performance or non-performances of Supplier’s obligations under this Purchase Order ; (vi) Supplier’s failure to require any consultant or subcontractor to be insured as set forth under the terms of this Purchase Order; or (vii) the negligence or willful misconduct of Supplier or its Personnel. If the Products or Services, or the use of such Products or Services, are held to constitute an infringement or misappropriation and their sale or use is enjoined, Supplier shall, at Supplier’s expense and option, either procure for Pfizer the right to continue to use such Products or Services, or replace the same with equivalent non-infringing Products or Services, or modify the same so they become equivalent non-infringing Products or Services; except that if the foregoing is not commercially practicable or upon request by Pfizer, Supplier shall refund to Pfizer all fees paid by Pfizer under this Purchase Order for such Products or Services and those Products or Services that are dependent thereon.

(b) Supplier shall keep the Indemnified Party fully informed concerning the status of any litigation, negotiations or settlements of any claim, demand or action for which the Indemnified Party seeks indemnification hereunder. The Indemnified Party shall be entitled, at its own expense, to participate in any such litigation, negotiations and settlements with counsel of its own choosing. Supplier shall not have the right to settle any claim without the prior written consent of the Indemnified Party. This Section 8 shall not be construed to limit or exclude any other claims or remedies at law or in equity that an Indemnified Party may assert.

## 9. INSURANCE

Prior to the commencement of any performance under this Purchase Order, Supplier shall provide and maintain such insurance coverage as will protect it and Pfizer (including Pfizer affiliates, its

and their employees, directors, officers, shareholders and agents) from all claims which may arise out of or result from Supplier's performance under this Purchase Order, whether such operations be by itself or by its subcontractors, agents or representatives or by anyone directly or indirectly employed by any of them, or by anyone for whose acts they may be liable.

#### 10. LIMITATION OF LIABILITIES

Notwithstanding the form (e.g., contract, tort or otherwise) in which any action may be brought, under no circumstances shall Pfizer or its affiliates be liable for consequential, indirect, special, punitive, or incidental damages or lost profits, whether foreseeable or unforeseeable, based on claims of Supplier or any other party arising out of breach or failure of express or implied warranty, breach of contract, misrepresentation, negligence, strict liability in tort, failure of any remedy to achieve its essential purpose, or otherwise. Notwithstanding the form (e.g., contract, tort or otherwise) in which any action may be brought, in no event shall Pfizer or its affiliates be liable for any damages or losses that exceed, in the aggregate, the amount of fees paid and payable by Pfizer for the Products or Services that gave rise to such damages or losses for each respective breach or series of related breaches. This Section 10 shall not apply only when and to the extent applicable Law specifically requires liability despite the foregoing disclaimer, exclusion and limitation.

#### 11. TERM AND TERMINATION

(a) Term. This Purchase Order shall commence upon Supplier's acceptance of this Purchase Order and shall continue through Pfizer's acceptance of such Services or Products, as may be further specified in this Purchase Order.

(b) Termination. In addition to Pfizer's termination rights set forth elsewhere herein, Pfizer may terminate this Purchase Order, in whole or in part, in its sole discretion: (i) upon fifteen (15) days prior written notice to Supplier for any reason; (ii) immediately upon written notice to Supplier if Supplier breaches this Purchase Order; (iii) if reasonable grounds for insecurity arise with respect to Supplier's performance and Supplier fails to furnish adequate assurances within five (5) days after written demand by Pfizer for such assurance; or (iv) immediately upon written notice to Supplier if Supplier becomes insolvent or otherwise makes an assignment for the benefit of creditors, commits an act of bankruptcy or files or has filed against it a petition in bankruptcy or reorganization proceedings. During any notice period, Supplier shall cease to provide the cancelled Services or Products, as the case may be, to Pfizer as soon as commercially practicable after receiving such notice.

(d) Termination for Breach of Anti-bribery/Anti-Corruption Representation. Pfizer may terminate this Purchase Order effective immediately upon notice to Supplier, if Supplier (i) breaches any of the representations and warranties set forth in Section 7 or (ii) if Pfizer learns that (a) improper payments are being or have been made or offered to Government Officials or any other person by the Supplier or those acting on behalf of the Supplier with respect to this Purchase Order or (b) that the Supplier or those acting on behalf of the Supplier with respect to this Purchase Order has accepted any payment, item, or benefit, regardless of value, as an improper inducement to award, obtain or retain business or otherwise gain or grant an improper business advantage from

or to any other person or entity. Further, in the event of such termination, Supplier shall not be entitled to any further payment, regardless of any activities undertaken or agreements with additional third parties entered into by Supplier prior to such termination, and Supplier shall be liable for damages or remedies as provided by this Purchase Order, at law or in equity.

(e) Effect of Termination/Expiration. Upon termination or expiration of this Purchase Order: (i) Pfizer shall be entitled to the ownership, possession, use and license of any and all work in process under this Purchase Order; (ii) Supplier shall invoice Pfizer for all outstanding fees and expenses incurred for Services satisfactorily performed and/or Products delivered under this Purchase Order through and including the date of any such termination or expiration; and (iii) Supplier shall comply with its obligations under Section 5(c) above.

(f) Survival. The provisions of Sections 1(b) and (c), 4 -7, 9, 10, 11 - 12 and any other provisions which are expressly or by implication intended to continue in force after such termination or expiration shall survive the termination of this Purchase Order.

## 12. INTELLECTUAL PROPERTY

For all work products and deliverables created under this Purchase Order through the performance of the Services, Supplier and Supplier Personnel hereby assign and transfer to Pfizer all rights to possession of, and all right, title, and interest, including all patent, copyright, trademark, trade secret and other proprietary and intellectual property rights ("Intellectual Property Rights") in and to such work products and deliverables created under this Purchase Order, in whatever form or medium captured, and in and to all physical and electronic materials, papers, and documents (including drawings), hereinafter referred to as "Works," and copies, abstracts, and summaries thereof, which are developed or conceived or which may come into their possession in any manner by reason of the provision of Services under this Purchase Order. Supplier shall promptly disclose to Pfizer any Works known to Supplier or Supplier Personnel, and all such Works shall be deemed to be "works made for hire" exclusively for Pfizer, with Pfizer having sole ownership of such Works and the sole right to obtain and to hold in its own name any Intellectual Property Rights therein and thereto. Supplier hereby agrees to give Pfizer or any person designated by Pfizer at Pfizer's expense, all reasonable assistance required to perfect the rights hereinabove defined. Supplier represents, warrants and covenants that it has caused or will cause all Supplier Personnel to enter into an enforceable agreement with Supplier prior to their performance of any Services, which agreement includes appropriate confidentiality, assignment of work product and invention provisions to effectuate the provisions of this Purchase Order. Notwithstanding the foregoing provisions, Pfizer's ownership rights do not apply or extend to any of the following (collectively, the "Supplier Property"): (i) any methodologies, methods of analysis, ideas, concepts, know-how, models, tools, techniques, skills, knowledge and experience or other materials or property owned or licensed by Supplier before the provision of the Services under this Purchase Order; (ii) any improvements or other modifications to any of the foregoing that Supplier creates during the performance of the Services under this Purchase Order without the use of any of Pfizer's Confidential Information or Intellectual Property Rights; or (iii) any of the Intellectual Property Rights in or to any of the items described in the preceding clauses (i) and (ii). All right, title, and interest in and to the Supplier Property is and shall remain in Supplier, and Supplier shall not be restricted in any way with respect to the Supplier Property. However, to the contrary, to the extent that any Supplier Property is incorporated into or embodied in any of the Works, or covers or controls any of the Works, or is necessary in order to fully and freely use any of the Works, Supplier hereby grants to Pfizer and its affiliates a perpetual, irrevocable, worldwide, royalty-free, non-

exclusive license, with the right to grant sublicenses, to (A) use such Supplier Property solely as part of or in connection with such Works or any derivative work based upon such Works, and (B) to modify such Supplier Property, solely to the extent such modification is necessary in connection with the creation of a derivative work based upon such Works.

13. MISCELLANEOUS

(a) Use of Pfizer Trademark/Name; Publicity. Supplier shall not issue any press release or other publicity materials, or make any presentation with respect to the existence of this Purchase Order or the terms and conditions hereof without the prior written consent of Pfizer in each instance. Supplier shall not publicize or use any name, trade name, service marks, trademarks, trade dress or logos of Pfizer (or any of its affiliates) nor identify Pfizer (or any of its affiliates) as a customer without Pfizer's prior written consent in each instance. This restriction shall not, however, apply to the extent that any such disclosures are required by applicable Laws, including as may be required in connection with any filings required to be made with the United States Securities and Exchange Commission or by the disclosure policies of a major stock exchange.

(b) Governing Law; this Purchase Order Terms and Conditions shall be governed by and construed in accordance with the laws of China.

(c) Relationship of the Parties. Pfizer engages Supplier only for the purposes and to the extent set forth in this Purchase Order and, accordingly, Supplier shall not be considered a partner, co-venturer, agent, employee, or representative of Pfizer. Neither Pfizer nor Supplier shall have any right or authority to make or undertake any promise, warranty or representation, to execute any contract, or otherwise to assume any obligation or responsibility in the name of or on behalf of the other party. Neither Pfizer nor Supplier shall be deemed a joint employer of the other's employees, each party being responsible for any and all claims by its employees. Neither Party's employees shall be deemed "leased" employees of the other for any purpose.

(d) Assignment; Subcontracting. This Purchase Order or any right or obligation arising therefrom shall not be assigned or transferred by Supplier in the absence of Pfizer's prior written consent thereto and any purported assignment or transfer absent such consent shall be automatically deemed null and void. Supplier shall not delegate or subcontract any of its obligations or responsibilities under this Purchase Order to any third party (including to an affiliate of Supplier) without Pfizer's prior written permission. No delegation or subcontracting by Supplier hereunder shall relieve Supplier of any of its obligations or responsibilities under this Purchase Order and Supplier shall remain responsible for obligations, services and functions performed by its subcontractors to the same extent as if they were performed by Supplier.

(e) Divestiture. Notwithstanding anything to the contrary contained in this Purchase Order, to the extent related to or arising in connection with a divestiture (whether by sale, spin-off, or similar transaction) by Pfizer of all or any portion of a Pfizer business or business unit ("a Divestiture"), Pfizer may, without prior written notice to or consent of Supplier, without any penalty, and at no additional cost to Pfizer or to any affiliate of Pfizer or to the company or the group of companies resulting from such Divestiture (collectively, such companies, the "Resulting Companies"): (1) assign its rights and obligations under this Purchase Order, in whole or in part to one or more of the Resulting Companies, or (2) split and assign, in whole or in part, its rights and obligations under this Purchase Order to one or more of the Resulting Companies so as to retain the benefits of this Purchase Order for both Pfizer and the applicable Resulting Company/(ies) following such Divestiture.

From and after any partial assignment or split (i) the rights and obligations of Pfizer hereunder shall be divided between Pfizer and the Resulting Compan(y)/(ies) to whom such rights and obligations are transferred as specified by Pfizer, such that all such rights and obligations related to the business of the applicable Resulting Compan(y)/(ies) shall be enforceable only by and against the applicable Resulting Compan(y)/(ies), and all other such rights and obligations shall be enforceable only by and against Pfizer and (ii) to the extent this Purchase Order contains any volume-based pricing or discounts in favor of Pfizer or minimum purchase thresholds, any purchases by Pfizer and the applicable Resulting Compan(y)/(ies) hereunder shall be aggregated for purposes of determining the applicable pricing and discounts and whether any minimum threshold has been met. Supplier will work cooperatively with Pfizer and the applicable Resulting Compan(y)/(ies) to ensure a smooth and orderly transition, including, to the extent requested by Pfizer, entering into separate agreements with Pfizer and the applicable Resulting Compan(y)/(ies) on substantially the same terms and conditions (as adjusted to take into account the nature of the separate contracts while maintaining the economic, business and other purposes of the Purchase Order).

No term, condition or provision of this Purchase Order, whether express or implied, shall be construed to limit Pfizer's use of the Services for the benefit of Resulting Compan(y)/(ies) for up to two (2) years after a Divestiture, and Supplier shall not charge Pfizer any additional fee of any kind whatsoever for such usage.

(f) Force Majeure. No Party shall be liable for any failure to perform or any delays in performance, and no Party shall be deemed to be in breach or default of its obligations set forth in this Purchase Order, if, to the extent and for so long as, such failure or delay is due to any causes that are beyond its reasonable control and not to its acts or omissions, including, without limitation, such causes as acts of God, natural disasters, flood, severe storm, earthquake, civil disturbance, lockout, riot, order of any court or administrative body, embargo, acts of government, war (whether or not declared), acts of terrorism, or other similar causes ("Force Majeure Event"). For clarity, raw material price increases, unavailability of raw materials, and labor disputes shall not be deemed a Force Majeure Event. In the event of a Force Majeure Event, the Party prevented from or delayed in performing shall promptly give notice to the other Party and shall use commercially reasonable efforts to avoid or minimize the delay. The Party affected by the other Party's delay may elect to: (a) suspend performance and extend the time for performance for the duration of the Force Majeure Event, or (b) cancel all or any part of the unperformed part of this Purchase Order.

(g) Severability. If and solely to the extent that any court or tribunal of competent jurisdiction holds any provision of this Purchase Order to be unenforceable in a final non-appealable order, such unenforceable provision shall be stricken and the remainder of this Purchase Order shall not be affected thereby. In such event, the parties shall in good faith attempt to replace any unenforceable provision of this Purchase Order with a provision that is enforceable and that comes as close as possible to expressing the intention of the original provision.

(h) Waiver; Partial Invalidity. The failure of Pfizer to insist in any instance upon strict performance by Supplier of any provision of this Purchase Order shall not be construed as a continuing waiver of such item, or waiver of any other provision of this Purchase Order or any corresponding Agreement. If any provision of this Purchase Order shall be held illegal or unenforceable by any governmental authority having jurisdiction over this Purchase Order, the validity of the remaining portions shall not be affected thereby.

- (j) Language. This Purchase Order Terms and Conditions written in Chinese and English, in case of inconsistency, the Chinese version shall prevail.
