

## PURCHASE ORDER TERMS AND CONDITIONS

Meridian Medical Technologies, Inc., a wholly-owned subsidiary of Pfizer Inc. ("Meridian"), hereby retains the supplier ("Supplier") set forth in the order form into which these terms and conditions are incorporated by reference (including attachments thereto, the "Order Form") on the terms and conditions hereinafter stated (including terms and conditions that are incorporated herein by reference, the "Purchase Order Terms and Conditions," and together with the Order Form, the "Purchase Order") to supply the materials, supplies, items or equipment (the "Products") and/or perform the services (the "Services"), as the case may be, described in the Order Form. Nothing in this Purchase Order shall be interpreted to prevent Meridian from obtaining from any other third party, or providing to itself, any or all such Products or Services or from ceasing to use Supplier to provide such Products or Services.

In the event of a conflict or inconsistency between any of the provisions of this Purchase Order and any of the provisions of a written agreement between Meridian and Supplier ("Agreement") covering the subject matter of this Purchase Order, the provisions of the Agreement shall govern and supersede any such conflicting or inconsistent provisions of this Purchase Order. In the absence of an Agreement, this Purchase Order constitutes the entire agreement of the parties with regard to the subject matter, and supersedes all previous written or oral representations, agreements and understandings between Meridian and Supplier and any different or additional terms and conditions. In the event of a conflict or inconsistency between any of the provisions of the Purchase Order Terms and Conditions and any provisions of the Order Form covering the subject matter of this Purchase Order, the provisions of the Purchase Order Terms and Conditions shall govern and supersede any such conflicting or inconsistent provisions of the Order Form.

Supplier's acceptance of this Purchase Order may be in writing, email, fax, EDI or other manifestation of acceptance such as, but not limited to, Supplier's initiation of performance, or through Supplier's provision of any Products or Services covered by this Purchase Order, or through Supplier's acceptance of any payment made pursuant to this Purchase Order, whichever occurs first. Except to the extent expressly accepted in writing by Meridian, Meridian hereby affirmatively rejects any different or additional terms and conditions proposed by Supplier or contained in any acknowledgement, invoice or other form of Supplier, notwithstanding Meridian's acceptance or payment for any Products or Services or any similar act of Meridian.

### 1. PRICE; INVOICING; PAYMENT

(a) Price. The price for the Products shall, as applicable, cover the net weight of the Products, and no extra charge of any kind, including charges for boxing, packaging or crating, shall be allowed unless specifically agreed to in advance in writing by Meridian. The price for Services shall cover all activities required to perform the Services as contemplated in this Purchase Order.

(b) Taxes. The amount of taxes imposed will be separately stated on the Order Form and any related invoice and all amounts shown will include all federal, state and local sales, use, excise and similar taxes applicable to the Products or Services sold or provided under this Purchase Order or the materials used in connection therewith; and Supplier shall pay any and all such taxes, except taxes required by Law (as defined in Section 6(a) below) to be paid or borne by Meridian. Notwithstanding the foregoing, each of Meridian and Supplier shall bear sole responsibility for all taxes of any kind imposed by a federal, state, local, or foreign governmental authority, directly on said party, including, but not limited to, those on, or measured by or referred to as income, gross receipts, financial operations, franchise, profits, license, excise, premium, windfall profits taxes, duties or similar fees, assessments or charges of any kind whatsoever, together with any interest and any penalties, additions to tax or additional amounts imposed by such governmental authority with respect to that party's income, operations, employment, property (whether owned, leased or deemed to be owned or leased) or business operations.

(c) Invoice; Payment; Billing Disputes. Unless otherwise specified by Meridian, Supplier shall invoice Meridian for the Products or Services provided under this Purchase Order only after the Products or the Services are received by Meridian. Final payment shall not be made until the Products or Services provided meet the requirements specified in this Purchase Order. Unless otherwise specified by Meridian on the applicable Order Form, payment terms shall be 1 percent (1%) ten (10) days, net thirty (30) days, in each case, after Meridian's receipt of the applicable invoice submitted in accordance with, and containing any information specified on, the applicable Order Form. Meridian may set off any amount owing from Supplier to Meridian against any amount payable by Meridian. Meridian may withhold payment of any invoiced amounts that it disputes in good faith and the parties shall work in good faith to resolve any such billing disputes. Any such billing disputes shall not be cause for Supplier's nonperformance of Services and/or non-delivery of Products, as the case may be, under this

Purchase Order. Payment by Meridian shall not result in a waiver of its rights under this Purchase Order. Further, Supplier shall perform its obligations under this Purchase Order in a manner that meets or exceeds the service levels, if any, set forth in this Purchase Order. If Supplier fails to meet any such service levels, Supplier shall perform a root cause analysis of such failure and shall promptly take corrective actions. Additionally, in the event of any such failure, Meridian shall receive the service level credits, if any, set forth in this Purchase Order. Service level credits shall not be deemed Meridian's sole and exclusive remedy for any failure by Supplier to achieve service levels. In order to be eligible for reimbursement by Meridian of reasonable out-of-pocket travel and travel-related expenses incurred by Supplier Personnel (as defined in Section 6(a) below) in providing the Products and/or Services hereunder, all such expenses incurred by Supplier: (i) must have been pre-approved by Meridian in writing prior to the date such expenses are incurred; and (ii) must be in compliance with Meridian's travel and entertainment guidelines, as supplemented and/or amended from time to time. Supplier will (1) provide truthful and complete documentation supporting, in reasonable detail, the delivery of the Products or the Services performed and any expenses incurred, (2) maintain true, accurate, and complete invoices, reports, statements, books, and other records, and (3) secure pre-authorization in writing from Meridian for any extraordinary expenditure.

(d) Most Favored Customer Status. The parties intend that Meridian shall have the status of a "most-favored customer" with respect to matters of pricing, availability, and other terms. Supplier represents and warrants that the prices and other terms provided to Meridian under this Purchase Order are not less favorable than those extended to any of its other customers for similar Product and Services under reasonably similar circumstances and, in the event that Supplier provides any of its other customers with more favorable prices or other terms, Supplier shall immediately provide that more favorable price or other term to Meridian.

## 2. DELIVERY; CANCELLATION; INSPECTION; ACCEPTANCE

(a) Product Delivery. Supplier shall be responsible for packaging, loading, and shipping the Products in accordance with any packaging specifications, shipping methods, and other related requirements set forth in this Purchase Order or otherwise communicated in writing to Supplier by Meridian. If no such specifications, methods or requirements are so specified, Supplier shall be responsible for packaging, loading, and shipping the Products in a manner sufficient to prevent damage and loss to the Products during shipment. Shipments must equal quantity ordered, unless otherwise agreed to by Meridian in writing. Supplier shall provide a packing list to Meridian (which shall be securely attached to the outside of the package) for all shipments referencing this Purchase Order number. Unless otherwise specifically provided for herein, Supplier shall be responsible for freight and delivery to the destination specified on the applicable Order Form. All freight and delivery charges will be borne by Supplier, unless specifically agreed to in advance, in writing by Meridian. Provided Meridian agrees to accept such freight and delivery charges in advance, the amount allocated for product freight delivery will be separately stated on the Order Form and any related invoice, and all amounts shown will include all packaging, loading and shipping applicable to the Products or Services sold or provided under this Purchase Order or the materials used in connection therewith. Under no circumstances will Supplier include in such charges, or will Meridian bear, additional or charges related to the freight and delivery of covered Products and/or Services, including, but not limited to, fuel surcharges, energy surcharges, or seasonal surcharges, whether originated by Supplier or on behalf of any third party. Notwithstanding any provision in this Purchase Order to the contrary, Supplier shall bear all risks of loss and damage to the Products until final acceptance by Meridian at Meridian's "ship to" destination specified on the applicable Order Form. Further, Supplier shall bear the same risks with respect to any Products rejected by Meridian or as to which Meridian has revoked its acceptance from the time of such rejection or revocation.

(b) Customs Clearance. For shipment of Products imported into the commerce of the United States, Supplier shall promptly provide Meridian with a commercial invoice that includes the information required by 19 CFR 141.86, as supplemented and/or amended from time to time. Supplier shall remain fully responsible for its compliance obligations under this Purchase Order.

(c) Material Safety Data Sheets. Supplier shall provide to Meridian all information related to the safety, safe handling, environmental impact, and disposal of the Product including, without limitation, material safety data sheets. Supplier shall promptly deliver to Meridian, as it becomes available to Supplier, any updates or amendments to the information, including those made to address the United Nations Globally Harmonized System of Classification and Labeling of Chemicals' requirements, provided pursuant to this Section and any new information relating to the safety, safe handling, environmental impact, or disposal of the Product.

(d) Cancellation. The delivery of Products and/or Services shall strictly comply with the delivery date or delivery schedule, if any, specified by Meridian. If at any time it appears that Supplier will not meet such delivery

date or schedule, Supplier shall promptly notify Meridian in writing of reasons for, and the estimated duration of, the delay. If requested by Meridian, Supplier shall ship delayed Products by means to avoid or minimize delay to the maximum extent possible, any added cost to be borne by Supplier. In addition to its other remedies, Meridian reserves the right to cancel all or any part of any Purchase Order for the undelivered Products or unperformed Services if Supplier does not deliver the Products or perform the Services as specified in this Purchase Order.

(e) Changes. Supplier acknowledges and agrees that Meridian may provide Supplier with a written request for changes to the Services and/or Products, as the case may be, from time to time. Meridian and Supplier shall review all such requests to determine the effect, if any, such requested changes may have upon fees payable, delivery schedule, and other terms and conditions of this Purchase Order. After such effects have been assessed, Meridian may decide, in its sole discretion, whether to implement such changes. If Meridian elects to implement such changes, the parties shall enter into a written agreement signed by both parties that describes such changes, which agreement shall constitute an amendment to this Purchase Order.

(f) Inspection; Acceptance of Products and Services. All Products or Services delivered or performed shall be subject to final review, inspection, and acceptance by Meridian, notwithstanding any payment or initial inspections. Acceptance of Products and Services shall occur when the Products or Services delivered under this Purchase Order have been inspected by Meridian and determined to meet the requirements specified in this Purchase Order. Meridian shall make such inspection within a reasonable period of time (not to exceed ninety (90) days) after the applicable Products have been delivered or Services completed by Supplier. For the avoidance of doubt, there shall be no time restrictions applicable to Meridian's provision of notice of rejection of any Product with respect to any latent defects, which shall include any defects that may not be detected by Meridian through standard inspection and testing of a Product sample or that may affect only a portion of Product. If the Products or Services do not meet such requirements, Meridian shall give Supplier detailed written notification of the deficiency or non-conformance and a direction to Supplier to promptly (and in any event within thirty (30) days): (i) repair, replace, or re-perform the deficient or non-conforming Products or Services; or (ii) cease all Supplier activities related to Products or Services; and/or (iii) refund to Meridian all fees paid by Meridian hereunder for the deficient or non-conforming Products or Services and those Products or Services that are dependent on such deficient or non-conforming Products or Services. Any such corrected Products or Services shall be subject to the same inspection and acceptance terms provided for in this Section 2(f). If Meridian directs Supplier to repair, replace or re-perform the deficient or non-conforming Products or Services and Supplier fails to complete same within thirty (30) days after Meridian's direction, then Supplier shall refund to Meridian all fees paid by Meridian hereunder for the deficient or non-conforming Products or Services and those Products or Services that are dependent on such deficient or non-conforming Products or Services. Inspection and acceptance of any Products or Services by Meridian shall not affect Supplier's warranties or Meridian's remedies under Section 6(a) below. The foregoing shall not be construed to limit or exclude any other rights or remedies of Meridian at law or in equity.

(g) Sustainable Shipping and Packaging. (i) In the event Supplier is responsible for selecting the carrier pursuant to Section 2(a), Supplier shall designate a carrier that will and shall use its best efforts to ensure that its designated carrier minimizes transportation charges and reduce fuel usage and greenhouse gas and air pollutant emissions via route optimization and efficiency, increases use of hybrid vehicles, natural gas vehicles, electric vehicles, or other vehicles that reduce emissions of carbon dioxide, and decreases idling times; provided that such efforts shall not impair Supplier's performance under this Purchase Order. Supplier shall improve energy efficiency, reduce fuel usage, and reduce greenhouse gas and air pollutant emissions during the transport of Products or services by contracting with third party transporters for the shipment of the Products that are top scoring EPA SmartWay<sup>SM</sup> Transport partners or affiliates (as defined by the SmartWay<sup>SM</sup> Program), wherever possible. To the extent the Products are transported other than in the U.S., Supplier shall cause its designated carriers to participate, to the extent possible, in comparable programs. (ii) Subject to any cGMP requirements and Meridian's specifications, Supplier agrees that the packaging, overwraps, envelopes, boxes, labels, tags, and paper it provides to Meridian shall consist of as much recycled content as is commercially reasonably available, but no less than 30% recycled content, including a minimum of 10% post-consumer content. Supplier shall use Forest Stewardship Council or other reputable third party certified sustainable paper content and recyclable packaging materials wherever commercially feasible. There shall be no additional charges for such packing, packaging or cartage unless such charge is authorized on the face of this Purchase Order.

### 3. ENVIRONMENTAL, HEALTH AND SAFETY MATTERS

With respect to all environmental, health and safety matters related to Supplier's (including Supplier Personnel) activities in providing Products and/or Services to Meridian, Supplier

(b) Supplier shall have and implement a documented health and safety policy which addresses, among other things, elimination of workplace injuries. Supplier shall be responsible for the health and safety of Supplier Personnel, as defined herein, including providing necessary training and other requirements of applicable Laws, including but not limited to the Occupational Safety and Health Act and state equivalents, while present at a Meridian facility, property, or asset. All Products and Services shall be subject to environmental, health and safety inspections at all times by Meridian.

(c) Supplier shall have and implement a documented environmental policy which addresses, among other things, its ongoing commitment to full compliance with Environmental Laws (as defined herein), sustainability, pollution prevention, waste reduction, and energy and water efficiency and quality. If Supplier makes significant changes to its policies and procedures, Supplier shall provide Meridian with evidence of implementation of such policy and any updated information regarding Supplier's environmental policies and practices. By April 15<sup>th</sup> of each year, Supplier shall also provide data regarding the Scope 1, Scope 2, and, as available, Scope 3 greenhouse gas emissions (pursuant to the World Resources Institute and the World Business Council for Sustainable Development's "Greenhouse Gas Protocol Corporate Standard", and the "Corporate Value Chain (Scope 3) Accounting and Reporting Standard", as may be revised from time to time) associated with the provision of the Products and/or Services, including, without limitation, the methodology employed to collect and report such data. Supplier shall provide other information regarding the environmental impact (e.g. air, water and waste) of the Products and/or Services as Meridian shall reasonably request, including any third party certifications, declarations, or other lifecycle information. This request shall be reiterated annually, as necessary, and in the form of the Green Criteria Scorecard provided to Supplier by Meridian, and which may be updated by Meridian or its Affiliate from time to time. All information provided pursuant to this Section 3 is, or shall be, complete, truthful and accurate. In the event any such information provided changes, Supplier shall immediately notify Meridian, in writing with reasonable detail, of such change. As and when they become available, Supplier shall identify and bring to Meridian's attention Products and/or Services and process options that generate less waste or pollution, are less toxic or hazardous, consume fewer materials or less energy, water or chemicals in their production, packaging, use or disposal, or that otherwise have a reduced environmental impact as compared to the Products and/or Services described on the Order Form (collectively, "Sustainability Options"). Supplier shall provide the Sustainability Option or shall develop a Sustainability Option as directed by Meridian. Supplier shall not charge a premium for any Sustainability Option. Supplier shall use commercially reasonable efforts to educate itself and to train Supplier Personnel in Sustainability Options available in the market. Supplier shall also identify and bring to Meridian's attention any Product take-back programs available.

(d) "Environmental Laws" means any applicable international, federal, state and local laws, statutes, ordinances, codes, rules and regulations, orders, decrees, or other pronouncements of any governmental, administrative, or judicial authority having the effect of law relating directly or indirectly to (i) the protection of the environment (including air, water vapor, surface water, groundwater, drinking water supply, surface, or subsurface land); (ii) the protection and occupational health and safety of workers and employees; or (iii) the registration, licensing, notification, warning, or other governmental approval of the Product and/or Service or any ingredients, by-products, intermediates thereof (including, but not limited to laws such as California Safe Drinking Water and Toxic Enforcement Act of 1986, Toxic Substances Control Act, or the EU Registration, Evaluation, Authorisation and Restriction of Chemicals); or (iv) the exposure to, or the use, transportation, storage, recycling, reuse, treatment, generation, labeling, protection, release or disposal of any and all Hazardous Materials. Supplier further agrees to maintain its books and records relating to Products and/or Services provided under this Purchase Order for a period of six (6) years or such longer period as may be required by applicable Law from the date work under this Purchase Order was completed. If any such audit reveals that Supplier has overcharged Meridian, Supplier shall promptly reimburse Meridian for such overcharge, and in the event that any such overcharge equals an amount equal to or greater than five percent (5%) of the amount that should have been charged under the terms of this Purchase Order, then Supplier shall promptly reimburse Meridian for all reasonable costs and expenses incurred in the conduct of the audit. Supplier acknowledges and agrees that Meridian shall have the right, at any time during the term of this Purchase Order, including any renewal thereof, to request that Supplier complete any forms (or any successor process) and that Supplier will cooperate with such request and in the remediation of any identified weaknesses that reasonably may affect the privacy, confidentiality, security, or integrity of Confidential Information (as defined in Section 5(a) below). For purposes of this engagement and the avoidance of doubt, “Meridian data” and “data” are deemed Confidential Information (as defined in Section 5 below).

#### 5. CONFIDENTIAL INFORMATION

Such information may include all information relating to the subject matter of this Purchase Order, whether furnished to or obtained by Supplier or its representatives before, on or after the date of this Purchase Order, in any form, including, but not limited to, written, verbal, visual, electronic or in any other media or manner (“Confidential Information”). Supplier shall keep Confidential Information strictly confidential as competitive-sensitive information. Supplier shall exercise the same degree of care for the Confidential Information of Meridian as it uses to protect its own confidential information, but in any event, not less than reasonable care, including, without limitation, the requirements of this Purchase Order. Supplier shall not disclose Confidential Information without the prior express written consent of Meridian to any person or entity not a party to this Purchase Order (other than as required by applicable Law) in any manner whatsoever, in whole or in part, and shall not be used by Supplier other than in connection with the purposes permitted by this Purchase Order. Confidential Information may be disclosed by Supplier only to the directors, officers, employees, and agents (including subcontractors) of Supplier who have a legitimate need to know such Confidential Information for purposes of carrying out Supplier’s obligations under this Purchase Order, who have agreed to comply with confidentiality provisions for the protection of the Confidential Information no less protective than the terms of this Purchase Order, and who have been informed by Supplier of the confidential nature of the Confidential Information as well as of the confidentiality undertakings of Supplier contained herein. (b) Notwithstanding the restrictions set forth above, if Supplier is required by Law to disclose any Confidential Information, Supplier may make the required disclosure, provided that prior to making any such disclosure, Supplier shall provide Meridian with: (i) written notice of the proposed disclosure in order to provide Meridian with sufficient opportunity to seek a protective order or other similar order preventing or limiting the proposed disclosure; and (ii) reasonable assistance in seeking such protective order or other similar order.

(c) Upon completion or termination of this Purchase Order, and at Meridian’s written request at any time, Supplier shall promptly return to Meridian or destroy (at Meridian’s election) all copies of all documents or other materials, in whatever form, that contain Confidential Information and are in the possession or under the control of Supplier or any Supplier Personnel and shall certify to Meridian in writing that Supplier has done so in accordance with applicable Laws.

(d) Supplier, and for its Supplier Personnel, represents and warrants that: (i) it has adequate and appropriate controls to ensure the confidentiality, privacy, security and integrity of Confidential Information and to ensure that Confidential Information is not disclosed contrary to the provisions of this Purchase Order; (ii) it has established and/or is maintaining an appropriate administrative, technical and physical safeguards as part of an appropriate information security program as well as security measures to ensure the privacy, security, confidentiality, and integrity of Confidential Information; (iii) its information security program will reasonably protect against any threats or hazards to the privacy, security, confidentiality, and integrity of Confidential Information, and protect against unauthorized access to or use of Confidential Information (including, without limitation, where Confidential Information is transmitted over a network) that could result in the loss, destruction, unauthorized use, modification, or disclosure of Confidential Information, or the substantial harm or inconvenience to Meridian or any Individual. Supplier acknowledges and agrees for itself and Supplier Personnel that Meridian shall have the right to require additional reasonable protections related to the confidentiality, privacy and security of Confidential Information in connection with this Purchase Order or any renewal or amendment thereof, and Supplier shall agree to such additional reasonable protections as Meridian may reasonably require.

(e) Supplier, and on behalf of Supplier Personnel, agrees to provide to Meridian, and as otherwise required by Law, prompt written notice of all incidents that involve, or which Supplier reasonably believes may involve, the attempted or successful unauthorized access, use, disclosure, modification, destruction or loss of Confidential Information or interference with system operation in an information system or in any medium or format, including without limitation, paper (hard) copy documents that may affect Confidential Information in the custody, possession or control of Supplier or Supplier Personnel (each, a “Security Incident”). Such notice shall summarize in reasonable detail the impact on Meridian and the affected Individuals of the breach or unauthorized access, use, disclosure, modification, destruction or loss of Confidential Information and the corrective action taken or to be taken by Supplier for preventative measures to prevent any future reoccurrences of such Security Incident. Supplier, at its sole expense, shall promptly take all necessary and appropriate corrective action including, without limitation, at the written request of Meridian or any regulatory body, to provide notices to Individuals whose Confidential Information may have been affected, whether or not such notice is required by Law, and cooperate with any regulatory investigations of, and respond to and/or defend any litigation (including any class action suits or similar proceedings) relating to such Security Incident.

(f) In the event of a Security Incident, Supplier, and on behalf of Supplier Personnel, agrees to reasonably cooperate with Meridian in connection with Supplier’s, Meridian’s and any other entity’s investigation(s) and/or remediation of such Security Incident and shall not distribute any public announcements (including, without limitation, website postings and press releases) without Meridian’s prior express written approval, which shall not be unreasonably withheld. Supplier further agrees to reimburse Meridian for all actual and reasonable costs Meridian may incur in connection with any such investigation and remediation efforts concerning a Security Incident commensurate with the nature and level of severity of the Security Incident.

(h) The obligations of Supplier (and Supplier Personnel) in this Section 5 shall be in addition to any other indemnification obligations Supplier (and Supplier Personnel) may have under the indemnification provisions of this Purchase Order. For the avoidance of doubt, these obligations may be considered indemnification obligations if necessary to make Meridian and any affected Individuals whole. Any payments under this Section 5 shall be deemed direct damages not limited by any limitation of liability or consequential, special, punitive, indirect or special damages limitations. Further, the obligations under this Section 5 shall survive the completion of the Services or provision of Products, as well as not be limited by any arbitration, limitation of actions or other similarly limiting provisions.

(i) Without prejudice to Section 6(i), Supplier, for itself and Supplier Personnel, agrees that it will only collect, use, process, disclose and retain Confidential Information in the U.S. and its territories, and will not transfer Confidential Information to any other country for any purpose, without the prior written authorization of Meridian and the express written consent of each Individual to whom such Confidential Information pertains. Supplier shall comply with all provisions of this Purchase Order, including, without limitation, all Laws (as defined below in Section 6 below). If this Purchase Order requires the Supplier to collect, use, disclose, hold or retain Personal Information within the European Economic Area ("EEA") or from Individuals residing in the EEA, Supplier agrees that: (i) Meridian shall, to the extent permitted by applicable Laws, be a "controller" and Supplier shall be a "processor" as such terms are defined in the EU Data Protection Directive (95/46/EC) and (ii) Supplier shall comply with any additional reasonable contractual measures required by Meridian including, without limitation, Meridian's Privacy & Information Security Addendum and Baseline Third Party Security Requirements.

(h) No Actions Pending. There is no action, suit or proceeding, at law or in equity, before or by any court or governmental authority, pending or, to the best of Supplier's knowledge, threatened against Supplier, wherein an unfavorable decision, ruling, or filing would materially adversely affect the performance by Supplier of its obligations hereunder or the other transactions contemplated hereby, or which, in any way, would adversely affect the enforceability of this Purchase Order, or any other agreement or instrument entered into by Supplier in connection with the transactions contemplated hereby. In the event Supplier becomes aware of such action, suit or proceeding, Supplier shall immediately notify Meridian.

Supplier agrees that it will not export, re-export, or re-transfer any Regulated Material it receives from Meridian, whether orally, in writing, via electronic mail transmission or otherwise, to any affiliate, or other third party (including Supplier Personnel), unless such activity is in compliance with all applicable Global Trade Control Laws and Supplier first receives written consent from Meridian. In particular, if Supplier is an entity organized under the laws of a state in the United States, but is owned or controlled, directly or indirectly, by a Foreign Person (as defined below), Supplier will not share such Regulated Material with any such Foreign Person or its employees, absent written consent from Meridian. Meridian may terminate this Purchase Order effective immediately upon notice to Supplier, if Supplier (i) breaches any of the representations and warranties set forth in Section 6(a)(C), (d) and (j) or (ii) if Meridian learns that (1) improper payments are being or have been made or offered to Government Officials (as defined in Section 6(c)) or any other person by the Supplier or those acting on behalf of the Supplier with respect to this Purchase Order or (2) that the Supplier or those acting on behalf of the Supplier with respect to this Purchase Order has accepted any payment, item, or benefit, regardless of value, as an improper inducement to award, obtain or retain business or otherwise gain or grant an improper business advantage from or to any other person or entity. Further, in the event of such termination, Supplier shall not be entitled to any further payment, regardless of any activities undertaken or agreements with additional third parties entered into by Supplier prior to such termination, and Supplier shall be liable for damages or remedies as provided by this Purchase Order, at law or in equity. If this Agreement is terminated for violation of the Global Trade Control Laws provisions in Section 6(j) or any other violation of Global Trade Control Laws, Meridian shall not be responsible for any related payments due to Supplier or another party, even if Products and/or Services have already been delivered. Further, Supplier shall be responsible for reimbursing Meridian for any payments due under this Agreement that are blocked due to violation of Global Trade Control Laws.

Notwithstanding the foregoing provisions, Meridian’s ownership rights do not apply or extend to any of the following (collectively, the “Supplier Property”): (i) any methodologies, methods of analysis, ideas, concepts, know-how, models, tools, techniques, skills, knowledge and experience or other materials or property owned or licensed by Supplier before the provision of the Services under this Purchase Order; (ii) any improvements or other modifications to any of the foregoing that Supplier creates during the performance of the Services under this Purchase Order without the use of any of Meridian’s Confidential Information or Intellectual Property Rights; or (iii) any of the Intellectual Property Rights in or to any of the items described in the preceding clauses (i) and (ii). All right, title, and interest in and to the Supplier Property is and shall remain in Supplier, and Supplier shall not be restricted in any way with respect to the Supplier Property. However, to the contrary, to the extent that any Supplier Property is incorporated into or embodied in any of the Works, or covers or controls any of the Works, or is necessary in order to fully and freely use any of the Works, Supplier hereby grants to Meridian and its affiliates a perpetual, irrevocable, worldwide, royalty-free, non-exclusive license, with the right to grant sublicenses, to (A) use such Supplier Property solely as part of or in connection with such Works or any derivative work based upon such Works, and (B) to modify such Supplier Property, solely to the extent such modification is necessary in connection with the creation of a derivative work based upon such Works.

In the event that any of the General Requirements conflict with or are inconsistent with the terms and conditions of this Purchase Order, the General Requirements shall govern in all instances. Supplier further agrees that it shall cause all of its subcontractors under this Agreement to agree to a provision similar in all substantive respects to this Section 12(a).

(b) Without limiting the generality of the foregoing Section 12(a), the following clauses of the Federal Acquisition Regulation (“FAR”) and the Department of Defense FAR Supplement (“DFARS,” referred to with the FAR as the “Clauses”), to the extent applicable, are hereby incorporated by reference with the same force and effect as if set forth below in full text: FAR 52.203-13, Contractor Code of Business Ethics and Conduct; FAR 52.219-8, Utilization of Small Business Concerns; FAR 52.222-26, Equal Opportunity; FAR 52.222-35, Equal Opportunity for Special Disabled Veterans, Veterans of the Vietnam Era, and Other Eligible Veterans; FAR 52.222-36, Affirmative Action for Workers with Disabilities; FAR 52.222-39, Notification of Employee Rights Concerning Payment of Union Dues or Fees; FAR 52.222-41, Service Contract Act of 1965; FAR 52.222-50, Combating Trafficking in Persons; FAR 52.223-18, Contractor Policy to Ban Text Messaging While Driving; FAR 52.225-13, Restrictions on Certain Foreign Purchases; FAR 52.244-6, Subcontracts for Commercial Items; FAR 52.245-1, Government Property; FAR 52.247-64, Preference for Privately Owned U.S.-Flag Commercial Vessels; DFARS 252.244-7000, Subcontracts for Commercial Items and Commercial Components; DFARS 252.246-7003, Notification of Potential Safety Issues; DFARS 252.247-7023, Transportation of Supplies By Sea; and DFARS

252.247-7024, Notification of Transportation of Supplies By Sea. The full texts of these Clauses may be found at <http://www.acquisition.gov/far/> and <http://www.acq.osd.mil/dpap/dars/dfars/index.htm>, respectively. These Clauses shall be interpreted as if "Government" means "Meridian," "Contracting Officer" means "Meridian's Representative," "Contract" means this "Purchase Order," and "Contractor" or "Offeror" means "Supplier" unless the context clearly requires otherwise. If any of these Clauses are inconsistent with this Agreement, such Clauses shall prevail over this Agreement where inconsistent. The version of each Clause as it appears in the applicable prime contract(s) or subcontract(s) shall be controlling with respect to this Agreement.

(c) If (a) Supplier received eighty percent (80%) or more of its annual gross revenues from Federal contracts (and subcontracts), loans, grants (and subgrants), and cooperative agreements (collectively, "Federal Awards") in the preceding completed fiscal year ("Preceding FY"); (b) Supplier received twenty-five million dollars (\$25,000,000) or more in annual gross revenues from Federal Awards in the Preceding FY; and (c) the public does not have access to information through reports filed under Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or Section 6104 of the Internal Revenue Code of 1986, Supplier is required to report the names and total compensation of each of the five (5) most highly compensated executives for Supplier for its Preceding FY pursuant to FAR 52-204-10. If Supplier is subject to the disclosure obligation under this Subsection, it shall forward such information to Meridian with a reference to this Agreement number to the following address within two (2) weeks of the date of this Agreement and annually thereafter: Meridian Medical Technologies, Inc., 6350 Stevens Forest Road, Suite 301, Columbia, Maryland 21046, Attn.: Legal Department. If Supplier is not subject to the disclosure obligation set forth in this Subsection, it is not required to make such disclosures to Meridian. By not making such disclosure pursuant to this section within the stated time frame, Supplier represents and warrants that is exempt from such disclosure requirement.

(d) In the event that the Government or another party acting on its behalf determines that Services or Products provided under this Purchase Order do not qualify as a "commercial item" as defined at FAR 2.101, Supplier acknowledges that Meridian may be required to include additional Clauses in this Agreement, and Supplier agrees to comply with the requirements of all such Clauses.

### 13. MISCELLANEOUS

(a) Use of Meridian Trademark/Name; Publicity. Supplier shall not issue any press release or other publicity materials, or make any presentation with respect to the existence of this Purchase Order or the terms and conditions hereof without the prior written consent of Meridian in each instance. Supplier shall not publicize or use any name, trade name, service marks, trademarks, trade dress or logos of Meridian (or any of its affiliates) nor identify Meridian (or any of its affiliates) as a customer without Meridian's prior written consent in each instance. This restriction shall not, however, apply to the extent that any such disclosures are required by applicable Laws, including as may be required in connection with any filings required to be made with the United States Securities and Exchange Commission or by the disclosure policies of a major stock exchange.

(b) Governing Law; Venue. The validity, interpretation and performance of this Purchase Order shall be governed by and construed in accordance with the laws of the State of New York without regard to the principles of conflicts of law. THE PARTIES EXPRESSLY AGREE THAT THE APPLICATION OF THE UNITED NATIONS CONVENTION ON CONTRACTS FOR THE INTERNATIONAL SALE OF GOODS (1980) IS SPECIFICALLY EXCLUDED AND SHALL NOT APPLY TO THIS PURCHASE ORDER. All actions and proceedings under this Purchase Order shall be brought exclusively in a state or federal court of competent subject matter jurisdiction in the County of New York in the State of New York.

Each Party hereby waives (i) any objection which it may have at any time to the venue of the proceedings in any such court, (ii) any claim that such proceedings have been brought in an inconvenient forum and (iii) the right to object, with respect to such proceedings, that such court does not have any jurisdiction over such Party. IN ANY CONTROVERSY OR CLAIM, WHETHER BASED IN CONTRACT, TORT OR OTHER LEGAL THEORY, ARISING OUT OF OR RELATING TO THIS PURCHASE ORDER, ITS NEGOTIATION, ENFORCEABILITY OR VALIDITY, OR THE PERFORMANCE OR BREACH HEREOF OR THE RELATIONSHIPS ESTABLISHED HEREUNDER, ALL PARTIES HEREBY WAIVE THEIR RIGHT TO TRIAL BY JURY.

(c) Relationship of the Parties. Meridian engages Supplier only for the purposes and to the extent set forth in this Purchase Order and, accordingly, Supplier shall not be considered a partner, co-venturer, agent, employee, or representative of Meridian, but shall remain in all respects an independent contractor, including for purposes of the Occupational Safety and Health Act or state equivalent. Neither Meridian nor Supplier shall have any right or authority to make or undertake any promise, warranty or representation, to execute any contract, or otherwise to assume any obligation or responsibility in the name of or on behalf of the other party. Neither Meridian nor

Supplier shall be deemed a joint employer of the other's employees, each party being responsible for any and all claims by its employees. Neither Party's employees shall be deemed "leased" employees of the other for any purpose.

(d) Assignment; Subcontracting. This Purchase Order or any right or obligation arising therefrom shall not be assigned or transferred by Supplier in the absence of Meridian's prior written consent thereto and any purported assignment or transfer absent such consent shall be automatically deemed null and void. Supplier shall not delegate or subcontract any of its obligations or responsibilities under this Purchase Order to any third party (including to an affiliate of Supplier) without Meridian's prior written permission. No delegation or subcontracting by Supplier hereunder shall relieve Supplier of any of its obligations or responsibilities under this Purchase Order and Supplier shall remain responsible for obligations, services and functions performed by its subcontractors to the same extent as if they were performed by Supplier.

(e) Force Majeure. No Party shall be liable for any failure to perform or any delays in performance, and no Party shall be deemed to be in breach or default of its obligations set forth in this Purchase Order, if, to the extent and for so long as, such failure or delay is due to any causes that are beyond its reasonable control and not to its acts or omissions, including, without limitation, such causes as acts of God, natural disasters, flood, severe storm, earthquake, civil disturbance, lockout, riot, order of any court or administrative body, embargo, acts of government, war (whether or not declared), acts of terrorism, or other similar causes ("Force Majeure Event"). For clarity, raw material price increases, unavailability of raw materials, and labor disputes shall not be deemed a Force Majeure Event. In the event of a Force Majeure Event, the Party prevented from or delayed in performing shall promptly give notice to the other Party and shall use commercially reasonable efforts to avoid or minimize the delay. The Party affected by the other Party's delay may elect to: (i) suspend performance and extend the time for performance for the duration of the Force Majeure Event, or (ii) cancel all or any part of the unperformed part of this Purchase Order.

(f) Severability. If and solely to the extent that any court or tribunal of competent jurisdiction holds any provision of this Purchase Order to be unenforceable in a final non-appealable order, such unenforceable provision shall be stricken and the remainder of this Purchase Order shall not be affected thereby. In such event, the parties shall in good faith attempt to replace any unenforceable provision of this Purchase Order with a provision that is enforceable and that comes as close as possible to expressing the intention of the original provision.

(g) Waiver; Partial Invalidity. The failure of Meridian to insist in any instance upon strict performance by Supplier of any provision of this Purchase Order shall not be construed as a continuing waiver of such item, or waiver of any other provision of this Purchase Order or any corresponding Agreement. If any provision of this Purchase Order shall be held illegal or unenforceable by any governmental authority having jurisdiction over this Purchase Order, the validity of the remaining portions shall not be affected thereby.

(h) Headings. Headings are included herein for convenience of reference only, and shall not constitute a part of this Purchase Order or change the meaning of this Purchase Order.
