

Pfizer Support to Bulgarian Patient Organisations in 2009

The below list contains information on the support Pfizer Bulgaria has provided to Bulgarian patient organisations in 2009.

National Alliance of People with Rare Diseases (NAPRD)

In 2009 Pfizer Bulgaria funded the National Alliance of People with Rare Diseases (NAPRD) to support the establishment of a National Association of Primary Pulmonary Hypertension, a member of the Alliance. The sum was used by NAPRD for the organization of a constituent assembly, registration fee and legal expenses.
