

## **Pfizer Support to European and International Patient Organisations in 2010**

The below list contains information on the support Pfizer has provided to European-level and international patient organisations in 2010. It follows the standards set out in the EFPIA code of practice governing relationships between the pharmaceutical industry and patient associations. Information to European-level and International patient organisations relevant to other countries is cross-referenced.

<b>Alzheimer Europe (AE)</b>
<p>Alzheimer Europe is a non-governmental organisation aimed at raising awareness of all forms of dementia by creating a common European platform through co-ordination and co-operation between Alzheimer organizations throughout Europe. Alzheimer Europe is also a source of information on all aspects of dementia.</p> <p>Pfizer International Operations gave Alzheimer Europe an unrestricted grant of €40,000.00 to support their 2010 core activities and €10,000.00 to support their 2010 Annual Conference.</p> <p>Information on this support provided to Alzheimer Europe is also mentioned on the Pfizer Belgium website (<a href="http://www.pfizer.be">www.pfizer.be</a>). Please be aware that the format may differ to follow Belgian transparency rules.</p>
<b>Cittadinanzavitta onlus (Active Citizenship Network)</b>
<p>Cittadinanzattiva (Active citizenship) is an Italian non-profit organization founded in 1978. It is independent from political parties, trade unions, private companies and public institutions. It is recognized as a consumer organization since 2000.</p> <p>Cittadinanzattiva's main objectives are the promotion of civic participation and the protection of citizens' rights in Italy and in Europe. It considers citizens a fundamental resource for democracy who play an active role in society and should have the opportunity to participate in everyday policy-making.</p> <p>Pfizer International Operations provided funding of €25,000.00 to Cittadinanzattiva onlus to support its organization of the 4<sup>th</sup> European Patients' Rights Day in the European Parliament in Brussels on May 6<sup>th</sup> 2010.</p> <p>Information on this support provided to Cittadinanzavitta onlus is also mentioned on the Pfizer Italy website (<a href="http://www.pfizer.it">www.pfizer.it</a>). Please be aware that the format may differ to follow Italian transparency rules.</p>
<b>Dupuytren e.V.</b>
<p>Dupuytren Society e.V. ("e.V." being the German abbreviation for "registered charity") is a non-profit and independent organization, certified by the German government. The Dupuytren Society is dedicated to inform patients on therapies of the Dupuytren disease and related diseases, like the Ledderhose disease.</p> <p>During 2010 Pfizer Limited paid Red Consultancy Limited €15.000 to support the enhancement of Dupuytren e.V.'s website with social media networking tools.</p>
<b>Europa Donna</b>
<p>Europa Donna - The European Breast Cancer Coalition -is an independent non-profit organisation founded in 1993, whose members are affiliated groups from countries across Europe. The Coalition works to raise awareness of breast cancer and to mobilise the support of European women in pressing for improved breast cancer education, appropriate screening, optimal treatment and care and increased funding for research. Europa Donna represents the interests of European women regarding breast cancer to local and national authorities as well as to institutions of the EU. Europa Donna has 46 country members and its Head Office is located in Milan, Italy.</p> <p>Pfizer International Operations provided an unrestricted grant of €50,000 to Europa Donna to support its core activities in 2010.</p> <p>Information on this support provided to Europa Donna is also mentioned on the Pfizer Italy website (<a href="http://www.pfizer.it">www.pfizer.it</a>). Please be aware that the format may differ to follow Italian transparency rules.</p>

#### **Association of European Cancer Leagues (ECL)**

Founded in 1980, The Association of European Cancer Leagues (ECL) is a pan-European umbrella organisation of national and regional cancer leagues in the extended Europe, from Iceland to Turkey. It provides a unique and important platform for cancer societies, facilitating their collaboration, and aims at influencing EU and pan-European policies. ECL's vision is to be a visible and effective player in cancer prevention, control and care, in particular in Europe, by identifying and promoting common strategies in cancer control towards achieving health equity in cancer prevention, treatment and services.

Pfizer International Operations provided a grant of €30,000.00 in 2010 to the Association of European Cancer Leagues to support its actions related to the work package on cancer prevention and health promotion, within the European Commission's Partnership for Action Against Cancer.

Information on this support provided to ECL is also mentioned on the Pfizer Belgium website ([www.pfizer.be](http://www.pfizer.be)). Please be aware that the format may differ to follow Belgian transparency rules.

#### **European Cancer Patient Coalition (ECPC)**

Established in 2003, The European Cancer Patient Coalition is the voice of the European cancer patient community, uniquely representing the interests of all cancer patient groups from the major to the rarer cancers. It has been established to represent the views of cancer patients in the European healthcare debate and to provide a forum for European cancer patients to exchange information and share best practice experiences.

Pfizer International Operations, as a Sustaining Partner, provided an unrestricted grant of €30,000.00 to the European Cancer Patient Coalition to support its core activities in 2010 and €10,000 to support the ECPC Cancer Summit in October 2010.

Information on this support provided to ECPC is also mentioned on the Pfizer Belgium website ([www.pfizer.be](http://www.pfizer.be)). Please be aware that the format may differ to follow Belgian transparency rules.

#### **European Federation of Associations of Families of People with Mental Illness (EUFAMI)**

EUFAMI, the European Federation of Associations of Families of People with mental illness, is the representative body for family and carer associations throughout Europe, promoting the interests and wellbeing of people with mental illness, their families and carers. It was founded in 1992 under Belgian law and is a member-led federation.

Pfizer International Operations provided an unrestricted grant of €25,000 to EUFAMI to support its core activities in 2010.

Information on this support provided to EUFAMI is also mentioned on the Pfizer Belgium website ([www.pfizer.be](http://www.pfizer.be)). Please be aware that the format may differ to follow Belgian transparency rules.

#### **European Federation of Allergy and Airways (EFA)**

The European Federation of Allergy and Airways combines the forces of national patient associations on asthma, allergy and COPD for results at European level. The organisation seeks to improve the health and quality of life of people in Europe with those diseases and facilitates collaboration, sharing of knowledge and experiences.

Pfizer International Operations provided an unrestricted grant of €30,000 to the European Federation of Allergy and Airways Forum to support its core activities in 2010.

#### **European Federation of Neurological Associations (EFNA)**

The European Federation of Neurological Associations (EFNA) brings together European umbrella organisations of neurological patient advocacy groups, to work with other associations in the field of neurology, in what has been termed a 'Partnership for Progress'. EFNA engages in activities, which contribute to the advancement of neurology and related areas with a view to improving the quality of life of people living with neurological conditions, their families and carers.

Pfizer International Operations provided the following funding to the European Federation of Neurological Associations to support activities during 2010.

- €25,000: Provided to EFNA to support the organisation core activities
- €25,000: Provided to EFNA in its role as secretariat to the emerging EU Pain Alliance. The funding was provided to enable EFNA to initiate activities which would enable the EU Pain Alliance to

establish its organisational structure and develop its membership.

- €1,000: Provided to support the development of EFNA's Health Technology Assessment tool kit.
- EFNA joined the Can You Feel My Pain? EU Health Awareness Campaign as a formal partner during 2010. The campaign will feature on the EFNA Website in April 2011. In order to facilitate this activity Pfizer will provide EFNA will social media training (provided by Creation Healthcare). There is no funding associated with this activity.
- EFNA's president participated within a series of Pfizer activities during 2010 as follows:
  - Pain Proposal: EFNA's President participated as a steering committee member to the Pain Proposal for which an honorarium of €1000 with travel/accommodation was paid.
  - Can You Feel My Pain, EU Health Awareness Campaign: EFNA's President chaired the Pfizer European Advisory Board meetings during 2010, a group of patient advocacy groups and citizen organisations who worked with Pfizer to develop the Can You Feel My Pain, EU Health Awareness Campaign, for which an honorarium of €1,000 and travel was paid for both meetings.
  - EFNA's President featured in a film produced by Pfizer which was used for internal purposes only for which travel expenses were paid.

Information on this support provided to EFNA is also mentioned on the Pfizer UK website ([www.pfizer.co.uk](http://www.pfizer.co.uk)). Please be aware that this will differ in format as it follows UK transparency rules.

#### **European Gaucher Alliance (EGA)**

The EGA is an umbrella organisation that supports and represents national Gaucher associations on a pan-european level. It has provided patient focused guidance, support and advice to industry, healthcare providers, governments, the EU, developing patient organisations, scientists and physicians and all other stakeholders in the Gaucher Community.

Pfizer International Operations provided an unrestricted grant of €15,000.00 to European Gaucher Alliance to support its core activities in 2010.

Information on this support provided to EGA is also mentioned on the Pfizer UK website ([www.pfizer.co.uk](http://www.pfizer.co.uk)). Please be aware that this will differ in format as it follows UK transparency rules.

#### **European Haemophilia Consortium (EHC)**

The European Haemophilia Consortium (EHC) is a European patient group representing national member organisations from 43 countries in Europe including members in all 26 EU Member States and the 2 candidate countries Croatia and Turkey. The EHC is working to reduce the burden of the disease on both the individual and on society. Its mission is to improve the quality of life of people with Haemophilia in Europe.

Pfizer as Platinum sponsor provided €30,000 for the 23<sup>rd</sup> Annual European Hemophilia Consortium Conference 2010, 22<sup>nd</sup> – 24<sup>th</sup> October 2010, Lisbon, Portugal.

Pfizer supported the Twinning Breakfast with a grant of €2,000 at the 23<sup>rd</sup> Annual European Hemophilia Consortium, Conference 2010 22<sup>nd</sup> – 24<sup>th</sup> October 2010 in Lisbon, Portugal.

Pfizer as an Industry Sponsor of the European Hemophilia Consortium gave an unrestricted grant of €33,000 to support EHC's core activities in 2010.

Information on this support provided to EHC is also mentioned on the Pfizer Belgium website ([www.pfizer.be](http://www.pfizer.be)). Please be aware that the format may differ to follow Belgian transparency rules.

#### **European Men's Health Forum (EMHF)**

The European Men's Health Forum (EMHF) is the only European organisation dedicated to the improvement of men's health in all its aspects, and a platform for the collaboration of a wide range of stakeholder groups in Europe. It aims to promote collaboration between interested individuals and organisations on the development and application of health policies, research, education and prevention programmes. In addition, the European Men's Health Forum (EMHF) strives to raise the profile of men's health issues across Europe, develop Europe-wide policies and support the establishment and development of men's health organisations that pursue similar objectives in each European country.

Pfizer International Operations provided an unrestricted grant of €25,000 to the European Men's Health Forum to support its core activities in 2010.

Information on this support provided to EMHF is also mentioned on the Pfizer Belgium website

([www.pfizer.be](http://www.pfizer.be)). Please be aware that the format may differ to follow Belgian transparency rules.

#### **European Institute of Women's Health (EIWH)**

Founded in 1996, The European Institute of Women's Health (EIWH), is a non-governmental organisation based in Dublin established to promote gender equity in public health, research and social policies across Europe. The EIWH strives to make the health and well being of women and the family, a priority for the European Commission and EU Member States.

Pfizer International Operations provided an unrestricted grant of €25,000 to the EIWH to support its core activities in 2010.

Information on Pfizer International Operations support provided to EIWH is also mentioned on the Pfizer Ireland website ([www.pfizer.ie](http://www.pfizer.ie)). Please be aware that the format may differ to follow Irish transparency rules.

#### **European Multiple Sclerosis Platform (EMSP)**

The European Multiple Sclerosis Platform was founded in 1989 as an umbrella organisation to promote the exchange and dissemination of information, knowledge on Multiple Sclerosis, and best practices of all of its 37 national member organisations. EMSP's mission additionally includes encouraging research on Multiple Sclerosis (MS), promoting the development of joint action programs with the participation of national MS societies in Europe, aimed at improving the quality of their activities and services; and acting as focal point for liaison with the institutions of the European Union (EU), the Council of Europe and other European organizations, in order to study and propose measures to improve the autonomy of persons with MS and promote their full participation in society.

Pfizer International Operations provided an unrestricted grant in the amount of €25,000 to European Multiple Sclerosis Platform to support its activities in 2010.

Information on this support provided to EMSP is also mentioned on the Pfizer Belgium website ([www.pfizer.be](http://www.pfizer.be)). Please be aware that the format may differ to follow Belgian transparency rules.

#### **European Organisation for Rare Diseases (EURORDIS)**

The European Organisation for Rare Diseases, (EURORDIS), is a patient-driven alliance of patient organisations and individuals active in the field of rare diseases. EURORDIS' mission is to build a strong pan-European community of patient organisations and people living with rare diseases, to be their voice at the European level, and -directly or indirectly - to fight against the impact of rare diseases on their lives.

As a member of the EURORDIS Round Table of Companies (ERTC) at the Emerald level, Pfizer International Operations provided an unrestricted grant of €25,000 to the European Organisation for Rare Diseases (EURORDIS) to support its activities in 2010.

Information on this support provided to EURORDIS is also mentioned on the Pfizer France website ([www.pfizer.fr](http://www.pfizer.fr)). Please be aware that the format may differ to follow French transparency rules.

#### **European Patients' Forum (EPF)**

The European Patients' Forum (EPF) is the umbrella patients' organisation at EU level. It brings together a broad range of leading European and national patients' organisations in different disease areas. Representing over 150 million patients, the EPF is a key interlocutor with European institutions, and promotes patients' rights, participation and involvement in EU healthcare developments.

Pfizer International Operations provided co-sponsorship in the amount of €30,000 to the HTA Seminar (18<sup>th</sup> May 2010, Brussels) and an unrestricted grant to support EPF's work plan 2010 in the amount of €50,000.

Information on this support provided to EPF is also mentioned on the Pfizer Belgium website ([www.pfizer.be](http://www.pfizer.be)). Please be aware that the format may differ to follow Belgian transparency rules.

#### **Federation of European Scleroderma Associations (FESCA)**

The Federation of European Scleroderma Associations acts at a pan-European level to promote and achieve its objectives in alignment with the aims of the national groups it represents. As an umbrella group, FESCA supports its member organizations, while the support of individual sufferers of scleroderma remains the sole remit of national organizations. Major FESCA projects include the institution of World Scleroderma

Day, the biennial World Patient Scleroderma Congress, start-up of new national groups, social networking, surveys, and education projects.

Pfizer limited provided a grant in the amount of €3.000 to support Patient Day at the World Scleroderma Congress.

Pfizer limited provided an unrestricted grant in the amount of €8.700 to support the organization's core 2010 activities.

Information on this support provided to FESCA is also mentioned on the Pfizer Belgium website ([www.pfizer.be](http://www.pfizer.be)). Please be aware that the format may differ to follow Belgian transparency rules.

#### **GAMIAN Europe**

GAMIAN Europe (Global Alliance of Mental Illness Advocacy Networks – Europe) is a pan-European patient driven federation of organisations across Europe assisting people affected by mental illness. Its main objectives are: advocacy, information and education, anti-stigma and discrimination, patients' rights, co-operation, partnerships and capacity building.

Pfizer International Operations provided an unrestricted grant of €25,000 to GAMIAN Europe to support its core activities in 2010.

Pfizer International Operations provided funding in the amount of \$ 500.00 to GAMIAN Europe for participating in the Specialty Care Advisory Board 2010.

Information on this support provided to GAMIAN Europe is also mentioned on the Pfizer Belgium website ([www.pfizer.be](http://www.pfizer.be)). Please be aware that the format may differ to follow Belgian transparency rules.

#### **International Diabetes Federation European Region (IDF Europe)**

As the only European Advocate for people with diabetes and their healthcare providers, the International Diabetes Federation European Region works together with its member associations and other diabetes stakeholders to enhance the lives of people with diabetes. Many of IDF member associations are made up of people with diabetes and health care professionals. The mission of the International Diabetes Federation is to promote diabetes care, prevention and a cure worldwide.

Pfizer International Operations, as a Corporate Partner, provided an unrestricted grant of €25,000 to IDF Europe to support its core activities in 2010.

Information on this support provided to IDF Europe is also mentioned on the Pfizer Belgium website ([www.pfizer.be](http://www.pfizer.be)). Please be aware that the format may differ to follow Belgian transparency rules.

#### **Sarcoma Patients EuroNet (SPAEN)**

Established in 2009, Sarcoma Patients EuroNet e.V./Assoc. (SPAEN) is a collaborative association that brings together European advocacy and support groups working together with patients who have some of the rarest cancers. Acting in partnership with clinical experts, scientific researchers and other stakeholders SPAEN is working to improve the treatment and care of sarcoma patients in Europe through improving information and support, and by increasing the awareness of sarcoma in the medical landscape and amongst the general public.

Pfizer International Operations provided an unrestricted grant of €25,000 to the Sarcoma Patients EuroNet (SPAEN) to support its core activities in 2010.

#### **Das Wissenshaus GmbH**

The Institute "Das Wissenshaus GmbH" is a service provider for scientific and medical information & communication and acts in "the world of medicine/oncology/science" (experts, researchers, clinics, patients, patient-organizations, media, companies etc.) The following fields of activities are covered: Consulting – Research – Publication – Conferences – Education/Training.

Pfizer International Operations provided co-sponsorship in the amount of €30,900 to the International Conference for Organizations Representing Patients with Kidney Cancer on 10 - 12 September 2010.
