Appendix: Transfers of value to organisations engaged in some work with patients.

Pfizer provides support to a number of organisations that are not patient organisations, but which have patient organisation membership or are otherwise relevant to patients. As such, they are listed here for the sake of transparency.

ABC (Advanced Breast Cancer) Global Alliance: ABC Global Alliance is a multi-stakeholder platform for all those interested in collaborating on common projects relating to advanced breast cancer (ABC) around the world. In 2020, Pfizer Inc provided €75,000 for 2020 ABC Global Alliance Sponsorship and €75,000 for 2021 ABC Global Alliance Sponsorship.

European Brain Council (EBC): The European Brain Council (EBC) is a coordinating council formed by European organisations in neurology, neurosurgery, psychiatry, basic brain research (neuroscience), as well as patient organisations and companies from within the pharma and biotech industries. It represents a vast network of patients, doctors and scientists, and these stakeholders along with its industrial partners make it eminently suited to work in close partnership with the European Parliament and Commission, national governments as well as other policy making bodies. EBC is based in Belgium. In 2020, Pfizer Inc provided EBC with €20,000 as an annual industry partnership fee, and supported the 'Value of treatment chronic pain innovation' white paper and related expenses with €50 000 and €10 000.

European Cancer Organisation (ECCO): The European Cancer Organisation convenes oncology professionals and patients to agree policy, advocate for positive change and be the united voice of the European cancer community. The organisation is renowned for its annual European Cancer Summit. In 2020, Pfizer Inc provided €40,000 and €35,000 support for ECO Community 365 Programme 2020 and 2021. Pfizer also provided €1,230.21 lecture fee and travel expenses at Control Cancer Summit held September, 10-11, 2019 (paid in 2020).

EUROCARERS AISBL: Eurocarers is the European network representing informal carers and their organisations, irrespective of the particular age or health need of the person they are caring for. In 2020, Pfizer Ltd provided £910.19 speaker fee for Patient Advisory Board and £734.47 speaker fee for EU NCD Virtual Summit.

The Synergist: The Synergist is an independent, neutral backbone and incubator bringing together complementary people, organizations, and institutions to focus on solving societal issues both personally and with technology tools. It was founded in 2013 as a not for profit organisation with global focus and is headquartered in Brussels. In 2020, Pfizer Inc provided 100 000 EUR to support Patient Focused Medicines Development (PFMD) programme.

World Heart Federation: The World Heart Federation is the principal representative body for the global cardiovascular community, representing more than 200 heart foundations, scientific societies, civil society and patient organizations from over 100 countries. In 2020, Pfizer Inc provided 200,000.00 CHF to support World Heart Day Event 2020 and 125,000.00 CHF to support World Heart Day Event 2021.
